PRG · PRG

Prague Programming Languages and Systems Research Network

Curious About Programming Languages?

We bring together researchers and students interested in programming languages and programming systems based in Prague.

Join Our Events

We organize regular **reading group** meetings, informal **lunch meetings** and we keep a list of **courses** on programming language topics.

Work with Us

We offer a range of topics for **student projects**, Bachelor and Master theses, as well as opportunities for prospective **PhD students**.
